Please feel free to explore our website! You  
can find a variety of helpful information.

Reading instruction for each story which includes comprehension skills, vocabulary, phonics, grammar, and writing will be done in two week sessions. The student's spelling and reading tests will be given every other Friday. So, our first spelling/reading test will be **NEXT** Friday (9/8/23). All reading tests will be open book tests and they can refer back to their reading notebook notes.

Tests for math, science, and social studies will be given at the end of each chapter. I will send advance notice when a test for these subject areas is coming up. I will also send home study notes.
